Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Do you wish you could get better grades? Do you struggle with certain subjects and believe that maybe you're not cut out for them? Do you want to spend less time studying and still get good grades? Maybe you think that some subjects are just not for you. Maybe you don't like to study, because you secretly believe that you just don't have what it takes, so why bother? Maybe you are a parent, worrying about your child's grades, worrying whether they will be able to qualify for the opportunities you want for them. Studying for tests and exams can be stressful, not just for students, but also for teachers and parents. Grades in school exams and standardized tests can seem to determine your entire future, and yet many students are not able to get the grades they think they need to succeed. *Anyone Can Get An A+* is a conversational, down-to-earth guide for high school and college students on how to maximize their learning and get the grades they want. This book draws on research from the fields of psychology and neuroscience, and gives students practical advice that they can implement right away, to overcome procrastination, make the most of their study time and improve their grades significantly. The book includes sections on how the right nutrition and diet can aid learning, how to organize your time and study schedule, how to keep track of all your deadlines and school-related paperwork, and how to overcome procrastination to complete your schoolwork on time. The author also discusses how students can incorporate the latest research on education and learning into their everyday study habits. *Anyone Can Get An...*
