Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: Spanish . Brand New Book ***** Print on Demand *****. Los huesos rotos del alma es un novela abstracta que contiene drama, humor, amor, erotismo, horror, humanidad. Mediante un collage de textos de distintos tipos nos embarca en un viaje de supervivencia y recuperacion de la paz. No esta ambientada en un tiempo concreto, no se adhiere a ningun genero, se sugiere una trama, y desprovista de referencias tangibles consigue que el protagonista principal sea ud. lector, ud. lectora. Las luchas y triunfos de cada escrito van hilandose en el lector/a que va intuyendo que cada retazo pertenece a un algo mayor hasta que el conjunto se convierte en algo propio de quien lo lee. Un texto facil de leer pero de poso profundo.
