

The Art Of War Visualized (Paperback)

By Jessica Hagy

Workman Publishing, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. Author and illustrator of How to Be Interesting, Jessica Hagy is a cutting-edge thinker whose language - comprising circles, arrows, and lines and the well-chosen word or two - makes her an ideal philosopher for our ever-more-visual culture. Her charts and diagrams are deceptively simple, often funny, and always thought-provoking. She knows how to communicate not only ideas but the complex process of thinking itself, complete with its twists and surprises. For The Art of War Visualized, she presents her vision in evocative ink-brush art and bold typography. The result is page after page in which each passage of the complete canonical text (in its best-known Lionel Giles translation) is visually interpreted in a singular diagram, chart, or other illustration - transforming, reenergizing, and making the classic dazzlingly accessible for a new generation of readers.
