## The House That Max Built (Hardback)

By Maxwell Newhouse

Tundra Books, Canada, 2011. Hardback. Condition: New. Language: English . Brand New Book. Having worked construction for many years, author and illustrator Maxwell Newhouse shows young readers step-by-step how houses are built in this captivating picture book. From drawing up the plans to excavating the site to laying the foundation, the unique and colorful paintings move through the seasons as Max builds the house of his dreams. Watch the framing crew as they build a floor frame to hold the house, raise the walls into place, and make the roof frame. See them install the windows and doors, bricklayers build the outside walls with bricks and mortar, and roofers nail the shingles into place. Follow the plumber as he puts in the water lines, the electrician as he installs the wiring, and the drywaller as he places wallboard on the inside walls. Along come the tile setter, floor layer, cabinetmaker, and painter, who all do their part to make Max's house beautiful as his mischievous little dog romps through the pages. Finally, when the property has been landscaped with plants, trees, grass, and stones, Max moves into his beloved new home. With a list of all the trades and...
