WHY CATS ARE (HARDBACK)

Carpenter s Son Publishing, 2016. Hardback. Condition: New. Language: English . Brand New Book. When mother and son go to a homeless animal shelter to adopt a pet, they surely never dreamed how much this tiny fur ball would influence the young boy s life. Mike has an intense way of gazing at the world that reveals something special--how marvelous is God s creation and how creation speaks to self-worth. When schoolmates socially and emotionally bully this child, he turns to what the cat does--marvel at the handiwork of God. This perspective, in turn, helps the boy to see his own worth and he comes to the understanding that his Creator has a plan for his life. Part of the Love Unleashed(TM) project, 100 of net proceeds from the sale of this book go to organizations that support spay and neuter programs for responsible animal control.
