

Human Nature Theory

By Joshua Deegan

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 270 pages. Dimensions: 11.0in. x 8.5in. x 0.6in. Ideal for introductory courses in human nature, introduction to philosophy, and intellectual history, this unique volume will engage and motivate students and other readers to consider how we can understand and improve both ourselves and human society. To encourage students to think critically for themselves and to underscore the similarities and differences between the many theories, the book examines each one on four points the nature of the universe, the nature of humanity, the diagnosis of the ills of humanity, and the proposed cure for these problems. The author juxtapose the ideas of these and other thinkers and traditions in a way that helps students understand how humanity has struggled to comprehend its nature. This item ships from La Vergne, TN. Paperback.
