

Insearch: Psychology and Religion (Paperback)

By James Hillman

Spring Publications,U.S., United States, 1998. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. From the book: One day in Zurich, I watched a woman being interviewed. She sat in a wheelchair because she was elderly and feeble. She said that she was dead for she had lost her heart. The psychiatrist asked her to place her hand over hery breast to feel her heart beating: it must still be there if she could feel its beat. That, she said, is not my real heart. She and the psychiatrist looked at each other. There was nothing more to say. Like the primitive who has lost his soul, she had lost the loving courageous connection to life - and that is the real heart. .I believe the primitive and the woman in the hospital: we can and do lose our souls. I believe with Jung that each of us is modern man in search of a soul. From the Author s new Postscript: Maybe the soul isn t lost; it s just elsewhere, otherwise engaged. Maybe it s more involved with the way of the world than with your path of individuation. Maybe it s not too concerned...

Reviews

A really amazing pdf with perfect and lucid reasons. This really is for anyone who statte there was not a worth reading through. Your daily life span is going to be transform when you comprehensive looking at this book.

-- **Malachi Braun**

This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.
