By J Hunter Holly, Philip Jose Farmer

Armchair Fiction Music, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Armchair Fiction presents extra large editions of classic science fiction double novels. The first novel, J. Hunter Holly s The Flying Eyes is one of the schlockiest, most over-the-top science fiction novels ever written. Yet for all its absurdities, it reads like a fun night at a drive-in movie theater-you just can t put it down. Alien terror filled the skies! Huge flying eyes appeared out of nowhere, hypnotizing thousands of helpless people and turning them into mindless zombie slaves! What did they want from Earth? The answer was simple.pure atomic destruction! Only a bitter research scientist and his pal had a ghost of a chance of coming up with a way to save Earth. If this sounds like a juicy grade B science fiction film, believe us.it reads like one, too. The Flying Eyes is not a sci-fi tale you will soon forget-sit back and enjoy the ride! The second novel is a taut outer space thriller by sci-fi veteran, Philip Jose Farmer. Some Fabulous Yonder is about a pursuit across the galaxy. Heinrich Nge was an interplanetary hoodlum...
