Not illustrated. 1879 Excerpt: .in the House, where the Democratic majority is very narrow, not only for a single week or month, but as long as they see fit to persist in this course. As often as they adjourn, the President will call an extra session; as long as they decline to provide for the expenses of the government, they must sit without providing for their own expenses, for salaries, door-keepers, pages, messengers, stationery, lights, fuel or other necessary expenses. But sit they must, and continue in session legally, at all events, until the work is done. It is pretty evident at the outset that, sooner or later, a slender majority will break down under such circumstances. No serious disturbance in the operations of the government is to be apprehended. A desperate partisan resort of this nature can be undertaken with success only when sustained by overwhelming public sentiment, and in this ease public sentiment will be overwhelmingly against it. The approach of an extra session, moreover, precipitates the difficulties of the Democracy, both in respect to financial questions, in respect to the nominations for the presidency and in respect to the personal wrangles of aspirants for control of the house. Mr. Randall, however objectionable his course has been on some questions, has rendered important public service on several occasions by defeating mischievous jobs. In consequence he has the bitter enmity of a considerable proportion of Democratic members from the South. Some of them declare that they will not support...
