GENDER ARCHAEOLOGY (PAPERBACK)

Polity Press, United Kingdom, 2000. Paperback. Condition: New. Language: English . Brand New Book. This major new textbook explores the relations between gender and archaeology, providing an innovative and important account of how material culture is used in the construction of gender. Throughout this lively and accessible text, Sorensen engages with the question of how gender is materially constituted, and examines the intersection of social and material concerns from the Palaeolithic Age to the present day. Part One discusses a...
