Larger print. In Tallahassee, Florida, twelve-year-old, wheelchair-bound Newt Willis modifies his father s top-secret computer program into a holographic game, and when spies steal a game disk from one of his school friends, Newt must save his father s program and company. Following a car accident that leaves him using a wheelchair, computer whiz Isaac Newton (Newt) Willis adapts a NASA computer communications program developed by his father into a holographic game-a virtual world- Newt s World. But when he shares the game with his two new best friends, an international espionage ring learns about the program and holds Newt s school hostage. Can Newt save his classmates? Will the virtual world fall into the wrong hands? Could Newt s World be more than just a kids video game?.
