One hundred and seventy-one men and 147 women participated in the groups. 2 Thirty-eight percent of participants in the 63 groups were in the Army; 16 percent in the Marine Corps; 21 percent in the Navy; and 24 percent in the Air Force. About onequarter of the participants were officers; the remainder were equally divided between enlisted and noncommissioned ( NCO ) officer ranks. In terms of racial and ethnic backgrounds, 68 percent were white; 22 percent black; 8 percent Hispanic; 2 percent Asian or Pacific Islander; and 1 percent Native American. Participants ranged in age from 18 to 51 years, with an average age of 29 for the groups. Enlisted personnel were 9 years younger on average than either or officers; the women participants were an average...

### Reviews

*A must buy book if you need to adding benefit. It really is simplified but unexpected situations in the 50 percent of your book. Its been developed in an exceptionally straightforward way and it is merely soon after i finished reading through this pdf where in fact transformed me, modify the way i think.*

-- Dalton Mertz

*This written pdf is great. It is really simplistic but surprises within the 50 percent of the pdf. I realized this pdf from my dad and i advised this pdf to understand.*
