*Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It has been written in a remarkably easy way in fact it is only right after I finished reading this book in which it basically changed me, modified the way I really believe.*

## QUEST FOR ELDORADO: AN ESOTERIC JOURNEY (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Quest for Eldorado describes, in classical poetic form, a twenty-five year odyssey which seeks an understanding, indeed some realization, of the subject of manifestation - the transformation from spiritual desire to physical reality. It is a journey of self-discovery by way of great hardship and often intense suffering along a mostly indistinct, twisting path where the final destination is obscured even until some degree of clarity is ultimately received. The Quest proceeds through eighteen poems, written over eighteen years, each connected by a similar metric-rhyming pattern so as to provide continuity, uniquely portrayed, for the reader.
