iUniverse, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is an uncommon thing - a direct and personal account that also possesses a communal intelligence rich in metaphor. Whether recounting his boyhood experiences as a paperboy, visiting a nursing home, reflecting on his work as a counselor, or visiting a Trappist monastery in the Missouri Ozarks, J.T. Knoll consistently brings honesty and poetic sensibility to his writing. In a voice as authentic as the people and places he describes, he transports readers to the core of the human spirit. It s a journey through the landscape of the heart - one that speaks to the richness of the human soul and the benefits of a more contemplative life.
