Professional Sexual Misconduct in Institutions

By Tschan, Werner

Condition: New. Publisher/Verlag: Hogrefe Publishing | Causes and Consequences, Prevention and Intervention | Essential reading about a notoriously difficult problem: how abusive professionals manipulate their clients and what we as organizations and individuals can do about it. Recent headline cases involving a variety of organizations - medical, media, church, schools, sport, industry - show that institutions can be ideal environments for PSM, and so great emphasis is placed in this volume on preventive measures that we can and must take at an institutional level. With clear, jargon-free writing this book is essential reading for all professionals interested in preventing...
