Reviews

Extensive manual! Its this type of great read through. This can be for all who statte there was not a worth reading. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Dr. Furman Becker V)

THE NINTH FLOOR

Createspace, United States, 2013. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.The ninth floor of St. Michael s Hospital was shut off to the public, staff, and administrators in 1984. The doors were welded and chained shut, the stop was removed from the elevators, and the no one talked about what happened there-ever. Ryan Sterling knew her life was going to change forever the day she found out her aunt needed a transplant, and she agreed to return to a home she never wanted to see again. Spending the vast majority of her time in St. Michael s hospital, she soon notices peculiarities: her aunt s roommate rants about evil, the nurses whisper about hauntings, and no one will tell her why the ninth floor is locked. Ryan thinks all the rumors are ridiculous until two nurses die right after she speaks with them about the floor in question. Noises and disembodied voices begin to haunt her night and day. Strange presents appear on her doorstep with notes that makes her blood run cold. Someone or something is watching Ryan, and she is certain whatever is behind the locked doors of the ninth floor is the key to her and her aunt s survival. Ryan never wanted to go home again, now she may never leave.
