Paperback. Condition: New. 222 pages. The Sickness didnt just kill the people; it killed the city. No water. No power. No hope. Now, at age sixteen, Oscar must brave the chaos of the streets and retrace his missing fathers last known steps. With food and supplies dwindling, many of those who lived through the Sickness have banded together into brutal gangs for survival. Unfortunately for Oscar, people like him are frequently the scapegoats for a city filled with rage and pain. People like him who survived the Sickness only to suffer inexplicable genetic mutations. Called demons by some, called unfortunate by others, but known to all as, The Changed. But none of these obstacles are enough to keep Oscar from embarking on what is the most important journey of his young life. Oscar isnt just looking for his father. Hes searching for the only man who can lead them to the unbelievable origin of the Sickness, and heal the Changed. Hes searching for their last hope. Foreword Clarion Review: Awarded 5 out of 5 stars. When unique, fascinating characters are introduced, their lingo and personalities are translated well into precise and engaging dialogue. The apocalypse story line that introduces a world where sickness has nearly eliminated humanity and a few warring factions survive to rebuild is becoming as commonplace as boy meets girl. So, while A. Michael Marshs The Changed is not a thoroughly original story, it is a well-written and perfectly targeted interpretation that is clearly a labor of love from a science fiction fan. Marshs attention to detail, authentic character development, and perfectly balanced themes of faith, responsibility, and loyalty make this book hard to put down and easy to recommend for young teens. The characters are widely varied, not in small part due to a mutation in...
